

No Smoking Policy

EYFS: 3.22

At **Milnrow pre-school CIC** we are committed to promoting children's health and well-being. This is of the upmost importance for the Pre-school. Smoking has proved to be a health risk and therefore in accordance with legislation, the Pre-school operates a strict no smoking policy within its buildings and grounds. It is illegal to smoke in enclosed places.

All persons must abstain from smoking while on the premises. This applies to staff, students, parents, carers, contractors and any other visitors to the premises.

Staff accompanying children outside the Pre-school, are not permitted to smoke. We also request that parents accompanying children on outings refrain from smoking while caring for the children.

Staff must not smoke while wearing Pre-school uniform as it is essential that staff are positive role models to children and promote a healthy lifestyle. If staff choose to smoke during breaks they are asked to change into their own clothing and smoke away from the main entrance.

We respect that smoking is a personal choice, although as an organisation we support healthy lifestyles. We aim to help staff and parents to stop smoking by:

- Providing factsheets and leaflets
- Providing information of local help groups
- Providing details of the NHS quit smoking helpline - www.smokefree.nhs.uk
- Offering information regarding products that are available to help stop smoking
- Offering in-house support.

Vaping is also not permitted on the premises and vapes should not brought onto the premises as they are a risk of exploding.
