

Supervision of Visitors

EYFS: 3.10

At **Milnrow Pre-school CIC** we aim to always protect the children in our care. This includes making sure any visitors to the Pre-school are properly identified and supervised.

All visitors must sign the visitors' book on arrival and departure. Where applicable, visitors' identity should be checked, e.g., Ofsted inspectors or colleagues attending in a professional capacity such as speech and language therapists. Visitors are informed of any relevant policies including the fire evacuation procedure and mobile phone, camera and other recording devices policy including use of smartwatches where applicable.

All visitors are given and should wear a visitor's badge to identify themselves to staff and parents within the nursery. A member of staff must always accompany visitors in the Pre-school while in the building; at no time should a visitor be left alone with a child unless under specific circumstances arranged previously with the manager.

Security

- Staff must check the identity of any visitors they do not recognise before allowing them into the main Pre-school. Visitors to the nursery must be recorded in the Visitors' Book and accompanied by a member of staff at all times while in the building
- All external doors must be kept always locked and external gates closed. All internal doors and gates must be kept closed to ensure children are not able to wander
- Parents, visitors, and students are reminded not to hold doors open or allow entry to any person, whether they know this person or not. Staff within the Pre-school should be the only people allowing external visitors and parents entry to the Pre-school.
- The nursery will under no circumstances tolerate any form of harassment from third parties, including visitors, towards others, including children, staff members and parents. The police may be called in these circumstances.
